

# How to Access Our Virtual Event Platform

## Through a URL

1. **Go to the website:** <https://crowd.cc/nahri2022>.  
Enter the event password: **nahri2022**
2. **Enter your information:** Enter your first name, last name, and email address used to register for the event, then tap **Next**. We'll send you an email to verify your account. We just want to make sure it's you.
3. **Verify your account:** Access your verification email. You'll see it includes your six-digit verification code. Return to the login page and enter the verification code, then tap **Verify** to log in.

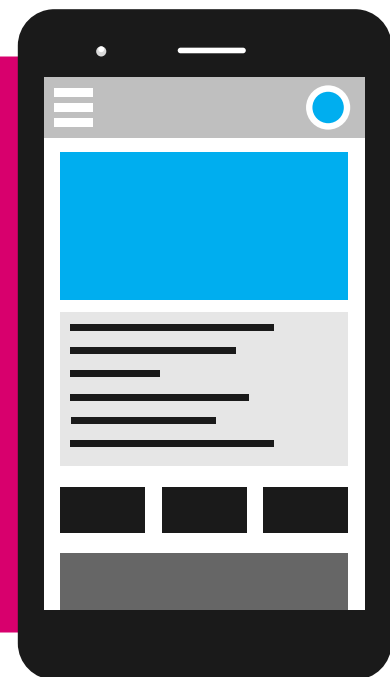

## Through the Invitation Email

1. **Open your invitation email:** Access your invitation on the device that you plan to use to view the event. Tap **Verify Account**.
2. **Activate your account:** Below the Open App button, click **mobile web browser** to complete the verification via the Online Event Guide.

## You Can Also Use Your Mobile Device

1. **Download the app:** Access the "App Store" on iOS devices and the "Play Store" on Android.
2. **Install the app:** Search for **CrowdCompass Events**. Once you've found the app, tap either **Get** or **Install**. After installing, a new icon will appear on the home screen.
3. **Search for your event:** Once downloaded, open the **CrowdCompass Events** app and enter "**2022 Mastering Utilization Review and Patient Status: A NAHRI Virtual Event**" or the event app password (**nahri2022**) in the search bar.
4. **Open your event:** Tap the name of the event, then tap **Download** to open it.

If you have any technical questions about the event platform, please email [virtualappsupport@blr.com](mailto:virtualappsupport@blr.com) between the hours of **8:00 a.m.–5:00 p.m. ET** for assistance.
