

## November 2-3, 2022 “Ultimate OASIS-E Virtual Training”

### CONTINUING EDUCATION CREDIT INFORMATION FOR THE LIVE PROGRAM

#### Ability to Claim

To obtain your continuing education certificate for this program, you must participate live in all of the sessions. Partial credit will not be awarded for this program. Please note that you will have 14 days to complete the evaluation to receive your certificate. ***The evaluation for this activity will close on November 17, 2022 at 11pm EST.***

#### Event Learning Objectives

At the completion of this educational activity, the learner will be able to:

- Demonstrate best practices for answering the OASIS in a timely fashion and avoid auditor scrutiny
- Articulate how to apply OASIS conventions to item-specific scenarios.
- Describe how to complete the complicated wound items, including how to report pressure ulcers, stasis ulcers, and surgical wounds.
- Relate how to accurately answer the mood and cognitive behavior items
- Articulate proper guidance for answering the ADL items evidenced by accurately reporting the patient's functional status for the patient's M and GG items.
- Demonstrate best practices to ensure your documentation matches the OASIS, which matches the plan of care.

#### Speakers

- **Arlynn Hansell, PT, HCS-D, HCS-H, HCS-O, COS-C**, is director of education, coding and OASIS division, for SimiTree. Hansell has been a physical therapist in the home health and SNF settings since October 1998, holding positions of therapist, rehab manager, and quality/compliance assurance. Hansell is appointed to the AHCC board, where she serves as the BMSC liaison. She is a past member of the American Physical Therapy Association, where she served as the Vice President of the Home Health Section. She manages the creation and editing of the HCS-D, HCS-O, HCS-H certification exams, and is the editor of the *Home Care Clinical Specialist – OASIS* online guidance and the *HCS-O Study Guide*.

#### Program Agenda

##### Day 1

1. OASIS-E Item-by-Item Training
  - a. This training is an OASIS-E item-by-item training covering the entire assessment form, including the new OASIS-E items and coming changes effective January 1, 2023. The training will provide best practices and official guidance on how to correctly answer those questions that continue to create confusion and put your agency at risk when answered incorrectly.
2. Q&A With the Expert

##### Day 2

1. OASIS-E Item-by-Item Training

- a. Day 2 of OASIS-E training continues with a deep dive into the new OASIS-E items and coming changes effective January 1, 2023. The training will provide best practices and official guidance on how to correctly answer those items that continue to create confusion and put your agency at risk when answered incorrectly.
2. Q&A With the Expert
