Yvette DeVay is the lead instructor for the HCPro's Medicare Boot Camp® - Physician Services. In her current role as a Regulatory Specialist, she also instructs the Certified Coder Boot Camp® (live and online) and the Evaluation and Management Boot Camp®.

Yvette has extensive experience as a Professional/Outpatient Coding Consultant. In this position, she assisted physician practices with coding integrity, internal audits, charge capture and litigation defense. She has also served as the ICD-10 Project Manager for a State Medicaid Agency. As project manager, she established the implementation schedule, steering committees, and workgroups. She was an active participant in the gap analysis, policy review and ICD-10 revisions. In addition to her role as Project Manager, she was responsible for department wide ICD-10 awareness and education.

Yvette has also worked with a major Mid-Atlantic payer on their ICD-10 conversion of system based diagnosis edits. During the conversion, Yvette was responsible for the mapping of all diagnosis codes found in the 400 + rules based edits.

She has extensive knowledge of Medicare coding, billing and compliance issues. She worked with a Medicare Program Safeguard Contractor where she filled the roles of data analyst, policy consultant, and data manager during her employment. At the PSC, Yvette was involved in various initiatives designed to identify and address aberrant billing patterns and to promote compliance with Federal Medicare regulations and guidelines. She also provided data analysis support for State and Federal law enforcement authorities including the Office of Inspector General. She also developed and presented various educational programs for investigative personnel focusing on coding issues and Medicare regulations/guidelines.

Yvette has also served as an instructor for a local community college, as an internal corporate trainer on matters of coding and Medicare regulations. She has created, developed and authored curriculum focused on Medicare regulations, professional and inpatient coding.

Yvette is an AHIMA Approved ICD-10-CM/PCS Trainer. She is accredited as a Certified Professional Coder and a Certified Inpatient Coder by the American Academy of Professional Coders. She is also approved as a Professional Medical Coding Curriculum (PMCC) Instructor through the AAPC.
