Federally Qualified Health Center Version

CAUTION: These course materials will quickly become out-of-date.

Caution should be exercised in relying on these materials after this course. There are frequent changes to the various statutes, regulations, and guidelines applicable to the Medicare program. In addition, this notebook contains abbreviated or time sensitive copies of many documents. Links to the current versions of many Medicare statutes, regulations, and guidelines may be found on HCPro's links page:

<https://revenuecycleadvisor.com/helpful-links>

At a minimum, before relying on any documents in this notebook, you should (1) download a current copy of the complete document and (2) confirm that the information provided in the document has not been rescinded, modified, or superseded.

CAUTION: This course is not a substitute for professional advisors.

The outlines, exercises, statutes, regulations, guidelines, and other documents included in this notebook are being furnished only for educational use in connection with this course. These materials are being furnished with the understanding that HCPro, a division of Simplify Compliance, LLC, is not engaged in rendering legal, accounting, or other professional services. If legal advice or other expert assistance is required, the services of a competent professional advisor should be sought.

Faculty Disclosure Statement:

HCPro, a division of Simplify Compliance, LLC, has confirmed that none of the faculty/presenters or contributors have any relevant financial relationships to disclose related to the content of this education activity.

Teri Rice, RN, MSN, MHA, MBA, CHC

Email: trice@hcpro.com

Teri Rice is the lead instructor for the HCPro's Medicare Boot Camp® – Critical Access Hospital Version and Rural Health Clinic Version and an instructor for the Medicare Boot Camp® – Utilization Review Version. Teri serves as a Regulatory Specialist for HCPro's Medicare Propel Advisory Services, providing regulatory guidance on coverage, billing, and reimbursement.

Teri has is a nurse with extensive experience in Compliance. In this position, she assisted an acute care hospital with documentation integrity, internal auditing, charge capturing, and education. She played an active role in software implementation, process improvement, and established a variety of workgroups. She assisted with the new design of a physical therapy software to promote compliance with Federal Medicare Regulations. She has assisted with rule based functionally within electronic health records for accurate charge capturing. She has also presented department specific educational programs to focus specifically on documentation, charging practices, and Medicare regulations.

She has extensive knowledge of Medicare billing and compliance issues. She has developed policies and procedures focused on Medicare regulations to promote compliance. She has collaborated on compliance workplans, internal organizational risks, and root cause analysis.

Yvette DeVay, MHA, CPC, CPC-I, CIC

Phone: 800-650-6787

Email: vdevav@hcpro.com

Yvette DeVay is the lead instructor for the HCPRO's Medicare Boot Camp® - Physician Services. In her current role as a Regulatory Specialist, she also instructs the Certified Coder Boot Camp® (live and online) and the Evaluation and Management Boot Camp®.

Yvette has extensive experience as a Professional/Outpatient Coding Consultant. In this position, she assisted physician practices with coding integrity, internal audits, charge capture and litigation defense. She has also served as the ICD-10 Project Manager for a State Medicaid Agency. As project manager, she established the implementation schedule, steering committees, and workgroups. She was an active participant in the gap analysis, policy review and ICD-10 revisions. In addition to her role as Project Manager, she was responsible for department wide ICD-10 awareness and education.

Yvette has also worked with a major Mid-Atlantic payer on their ICD-10 conversion of system-based diagnosis edits. During the conversion, Yvette was responsible for the mapping of all diagnosis codes found in the 400 + rules-based edits.

She has extensive knowledge of Medicare coding, billing and compliance issues. She worked with a Medicare Program Safeguard Contractor where she filled the roles of data analyst, policy consultant, and data manager during her employment. At the PSC, Yvette was involved in various initiatives designed to identify and address aberrant billing patterns and to promote compliance with Federal Medicare regulations and guidelines. She also provided data analysis support for State and Federal law enforcement authorities including the Office of Inspector General. She also developed and presented various educational programs for investigative personnel focusing on coding issues and Medicare regulations/guidelines.

Yvette has also served as an instructor for a local community college, as an internal corporate trainer on matters of coding and Medicare regulations. She has created, developed, and authored curriculum focused on Medicare regulations, professional and inpatient coding.

Yvette is an AHIMA Approved ICD-10-CM/PCS Trainer. She is accredited as a Certified Professional Coder and a Certified Inpatient Coder by the American Academy of Professional Coders. She is also approved as a Professional Medical Coding Curriculum (PMCC) Instructor through the AAPC. She holds a Masters of Health Administration from Seton Hall University and a Bachelor of Science in Applied Behavioral Sciences from Pennsylvania State University.
